

IWF Show Floor Video Shoot

Woodworking
Network

Add video to your marketing toolkit - Shot with the IWF Show Floor as your backdrop

Promote your key marketing message with a video shoot at IWF Fair. Woodworking Network will serve as your video production team for an interview format video shoot from your booth. Take the delivery of your message to the next level and reach the professional woodworking community well after the show has ended.

Included in your video package:

- Filming by the Woodworking Network video production team of a 2–3-minute video capture from your booth at IWF.
- Editing and final production of your video capture.
- Finished video will be delivered to you within one week of the show.
- Your video will be distributed electronically to Woodworking Network audiences post-IWF.
- Posting of your video on WoodworkingNetwork.com.

Add video to your IWF show objectives and bring your message to life for the Woodworking Network community.
