EXHIBITOR PROSPECTUS

October 18 & 19, 2018

The Warehouse Hotel at the Nook

75 Champ Blvd. • Manheim • Lancaster County PA

A regional marketplace for woodworking professionals
in furniture, cabinets, millwork, fixtures, storage solutions
and other wood products

Wood Pro Expo events serve professional woodworkers by showcasing top businesses and brands — machinery, hardware, software and other supplies and technology — right in the region where wood product manufacturers do business. Our regional format allows attendees to schedule minimal time out of the shop to find the latest technologies and learn about the newest trends in wood product manufacturing.

According to a survey of Wood Pro Expo Lancaster 2017

Wood Pro Expo attendees are primarily in:

- Cabinet Manufacturing
- Furniture Making
- Architectural Millwork
- Retail Fixture and Commercial Casework
- Remodeling

WPE attendee role in decision-making:

- 64% final decision-makers
- 30% specify
- 34% recommend

Wood product manufacturers come to Wood Pro Expo to:

- Find products that will help them grow their businesses
- Evaluate and compare products for future purchase
- Meet with and find new suppliers and business partners
- Take advantage of industry education, shop tips and networking

New to Wood Pro Expo Lancaster!

WOOD EDUCATION DEMONSTRATIONS ON THE SHOW FLOOR!

Exhibitors who reserve 400 sq. ft. or more of booth space can make their machinery demonstrations part of the Wood Pro Expo education schedule.

Add the exhibitor "Running Machinery" package to your exhibit space order.

Running Machinery exhibitors:

- commit to a minimum of 400 sq. ft. on the show floor
- agree to set two demonstration times on October 18 & 19 to do a 15-20 min. demonstration of their running machinery.

WPE will provide Running Machinery exhibitors:

- 100 extra square feet for a "viewing gallery/gathering space" in their booth
- free electricity to the machine in operation
- social media-style video of the machinery demonstration shot on the show floor during the demonstration, and that demonstration video posted to woodworkingnetwork.com and WWN social media channels
- exhibitor's presentation times will be added to the official WPE education schedule and promoted as part of the WPE education programming

Invite your customers to see your machinery in action!

Demonstration times are limited and are on a first-come, first-served basis. Reserve a Running Machinery package with your booth order now!

WOOD PRO EXPO INDUSTRY EDUCATION SESSIONS

Wood Pro Expo will also feature industry education sessions that address many of the challenges show owners and managers face in the day-to-day operation of their businesses. The educational program brings real world solutions that attendees can implement quickly and effectively.

Pricing, CNC, employee recruiting, finishing, lean, business software, safety and shop tips and trends are sample topics covered in Wood Pro Expo education sessions.
